TOTAL INPATIENT BEDS

Maple Grove Hospital opened with 90 private, inpatient beds. We are licensed for 300 beds to "grow into" in planned stages over the coming years.

Together, delivering health care as it ought to be.

Our mission at Maple Grove Hospital is to **inspire each other to give our patients and their families compassionate, remarkable care.** Our values guide every discussion, decision and behavior. It's not only what we do that matters, but how we do it. The values we demonstrate with each action and interaction are:

- › Respect
- › Accountability
- › Communication
- › Teamwork
- › Pride
